

Information to job seekers (f/m/d)

Thank you for applying for a job with SecureLink Germany GmbH.

As part of our recruitment process, we will process your personal data as set out in this notice. SecureLink is data controller with respect to the personal data collected and processed as part of the recruitment process.

In order to evaluate your application, we will process the information, including the personal data, which you have disclosed in your job application and CV. We recommend that you do not disclose sensitive personal data, such as information revealing racial or ethnic origin, religion, trade union membership, sexual orientation, health, etc. in your application.

If the job position requires you to complete personality tests or similar, you will be informed hereof when we have processed your application. The results of such tests will be treated confidentially but will be included in our evaluation of your application.

We may also request that you provide us with a copy of your criminal record depending on the position for which you are applying. Such information will also be treated confidentially.

The basis for our processing of your personal data is your request for our evaluation of your application and CV prior to the potential execution of an employment contract as well as your consent for certain processing.

As part of our evaluation of you and your application we may wish to take references from your previous and/or current employers. We will only take up references if you have consented hereto.

If you are offered a position with SecureLink, your application and additional personal data obtained during the recruitment process will become part of your employee record.

If you are not offered a job, we will store your application and any additional personal data obtained during the recruitment process for a period of 6 months following our rejection unless you have provided your consent to the storage hereof for a longer period. Your personal data will be stored in our recruitment system, Confluence (on premise) and Microsoft O365.

Any consent that you may have provided during the application and/or recruitment process may be withdrawn at any time by contacting us.

Your personal data may be shared with other group companies if relevant. Those companies are:
